Shanghai New International
Expo Centre, China

Driving global textile care innovation

Following the successful 2025 edition, which further solidified its status as the benchmark for Asia's textile laundry industry, Texcare Asia & China Laundry Expo (TXCA & CLE) 2026 will lead the sector to new heights. It is expected to attract over 30,000 professional visitors from more than 100 countries and regions, along with over 300 exhibitors, continuing to build a global platform for connectivity in the laundry sector and textile care industry.

As a trusted industry hub for showcasing advanced technologies and fostering knowledge exchange and collaboration, the exhibition will gather world-class solutions for laundry, leather care and cleaning technologies, driving the sector's transition towards smarter, more sustainable and efficient practices. Bolstered by its rising international influence and core role in industry innovation and cooperation, Shanghai, China will once again emerge as the global focal point for textile care professionals, cutting-edge technologies and premium business opportunities.
